ACTIVITY <input type="checkbox"/> PLANNING <input type="checkbox"/> COMPLAINT		<input checked="" type="checkbox"/> CONSULTATION <input type="checkbox"/> INVESTIGATION <input type="checkbox"/> PROGRAM EVALUATION		<input type="checkbox"/> ENFORCEMENT <input type="checkbox"/> INSPECTION <input type="checkbox"/> OTHER, _____
FOLLOW UP ACTIVITY <input type="checkbox"/> NONE <input type="checkbox"/> LETTER <input type="checkbox"/> OTHER, _____				
NARRATIVE: (Include as appropriate: direction to site; indicate all individuals present; list points discussed; describe conditions observed; diagram site; note sampling activities.) <p><i>phone conversation w/ Harry Daw of EPA 597-6680; he has scheduled to go through DER file; he questioned what has been done with data on wells at NVF - showed solvent - any followup? I told him I didn't know &amp; that he should talk to Walt Stanley, to whom I gave data. He also asked about junkyard site - to go through their file, too.</i></p> <p><i>Presently NVF low a EPA priority list &amp; w/ company on "verge" of bankruptcy, unless can show more serious problems, nothing will get done.</i></p> <p><i>FIT team scheduled to collect samples end of Oct '86 - will call with date when known.</i></p>
